

All Maryland Elite Dog Spa (SALON) clients must sign this agreement yearly before services are rendered.

PAYMENTS, PRICING

Payment is required at the time of service. We accept Visa, Mastercard, Discover, American Express, Check, and Cash.

Returned checks will incur a \$35 charge.

The pricing quoted does **NOT** include state sales taxes, stylist gratuity, or the online 3.4% + 30 cent/reader pay 2.9 % + 50 cent fee for card payments.

Pricing is subject to change; we will give notice of price increases when possible.

Price increases will happen annually.

SERVICES

Our pricing is based on the dog's breed/coat, your pet's weight, and the groom's duration.

All grooms and baths include nail trimming and grinding (if the dog allows it), ear cleaning, ear plucking (by request), gland expression (by request), bath, dry, brush out, bandana, and cologne.

LENGTH POLICY

At Maryland Elite Dog Spa, your pet's comfort and coat health are always our top priority. To ensure we can keep every dog mat-free between appointments and continue to offer all-inclusive, consistent pricing, we require that all haircut styles be kept at 1 inch or shorter in length. (Typical pet grooms are not longer than 1 inch, and this is the longest clipper length)

This length allows us to maintain your dog's coat in the best condition possible, reduce discomfort from matting, and provide a stress-free grooming experience. Longer styles tend to tangle and mat quickly, which can compromise your dog's skin and coat health and make grooming more difficult for them.

Thank you for understanding that this policy is in place to keep your pup happy, healthy, and looking their best between visits.

PICK-UP AND DROP-OFF

Our salon offers in-and-out service. The dogs are dropped off at their appointment time, and we send a 15-minute heads-up before they are done.

All dogs must be retrieved no later than 15 minutes before closing or within 2 hours of grooming completion — whichever comes first. Any late pick-ups will be subject to a "daycare" fee.

If your dog cannot be crated, you must stay in the lobby or parking lot. We use crates at the salon to guarantee your pet's safety.

CANCELLATION POLICY

48 hours notice is required to cancel without a fee.

Less than 48 hours notice will result in a fee of 50% of your total groom price.

All appointments must be confirmed before the appointment time, or the client will be subject to the appointment being canceled, AND cancellation fees may apply.

All same-day cancellations are responsible for 50% of the appointment cost, and clients will not be rebooked after three instances.

No-call/no-show (no answer/no access) appointments are responsible for 100% of the appointment cost and will not be booked after two instances.

We follow Anne Arundel County public closures as they pertain to inclement weather.

WALKS/POTTY BREAKS

We do NOT take dogs outside of the salon for potty breaks. Please be sure your pet has gone to the bathroom at least 20-30 minutes before the grooming.

VACCINATIONS, HEALTH, SANITATION

By agreeing to our policies, you agree to keep your pet's vaccinations current per local and federal laws and can provide paperwork when requested. Bites must be reported for the safety of our groomers and your pet.

We sanitize thoroughly but can not be liable for infections such as kennel cough, canine influenza, Parvo, etc.

Dogs with known infectious conditions will not be accepted, and clients will be liable for damages and downtime if they are found to keep an appointment for a dog with an infectious condition.

If there is a contamination, we will inform all parties that could be at risk immediately.

FLEAS AND TICKS

All pets must be current on flea and tick preventatives.

If a pet is found to be infested with fleas during the grooming, a \$25 cleaning fee will be due. Clients will not be rebooked after two instances.

If a tick is found on the pet, we will note its location and advise the owner.

TEMPERAMENT

By agreeing to our policies, you agree that, to the best of your knowledge, your pet does not have any behavioral issues such as biting, snapping, growling, scratching, or any form of

aggressive behavior toward a human.

Pet owners are responsible for any damage their pet inflicts on the van, stylist, or equipment. Injuries from a dog bite MUST be reported to Animal Control Services. Pet owners are financially responsible for any and all medical bills and treatments if their pet injures the groomer.

Any aggressive pets will be returned to their owner immediately, and full payment will be due.

HEALTH CONDITIONS

Pet owners are responsible for providing a healthy and groomable pet. Any known preexisting conditions MUST be disclosed before grooming.

Grooming can be stressful for any dog, especially a dog with medical conditions or a senior dog. This stress can also exaggerate or expose hidden medical problems during or after the groom. Because these dogs have a greater chance of injury, they will be groomed for cleanliness and comfort.

Grooming may expose pre-existing health/skin conditions for which Maryland Elite Dog Spa LLC can not be liable.

Maryland Elite Dog Spa LLC has the right to obtain veterinary clearance before performing any grooming services on senior or ill pets.

MATTED PETS

Dogs with mats (tangles or knots in the hair) that need to be shaved or dematted present a risk of injury. We are not responsible for injury or irritation caused by matting. We will not detangle severely matted dogs; they will be shaved short, and the owner will be counseled on future coat care.

ACCIDENTS

There is always the possibility of an accident. Grooming equipment is sharp, and even though we use extreme caution and care in all situations, possible injuries could occur, including cuts, nicks, scratches, quicking of nails, etc. Every effort will be made to ensure your pet is groomed as safely as possible.

AUTOMATED SMS COMMUNICATION CONSENT

By signing this agreement, you consent to receive automated text messages from Maryland Elite Dog Spa through our scheduling system (MoeGo) including - but not limited to: appointment confirmations, reminders, scheduling updates, policy notices, and important service communications. Message frequency may vary and standard message and data rates may apply.
